FUN FACTS

ORIGINAL GANGSTER
Did you know that moss was the Original Gangster plant? It was the earliest arrival on planet Earth approximately 450 million years ago.

REINDEER LOVE AFFAIR
Reindeer are big fans of moss! They absolutely adore it because it contains a unique chemical that assists in keeping their blood warm, just like how antifreeze prevents cars from freezing in winter.

AIR FEEDER
Did you know that moss actually gets its nutrients from the air because it does not have roots?

Have you ever wanted to own a sustainable artwork? This artwork is a beautiful fusion of nature and design, meticulously handmade using entirely organic materials like preserved moss and plants. It requires no irrigation, pruning, or regular plant care, making it easy to maintain.
